

One of New Zealand's Great Walks and without a doubt the most diverse. It combines bush clad walking, sub alpine traverses and a breathtaking coastal section with fantastic views over alpine downs, and ends in the wild West Coast of the South Island.

We are the gourmet guided walk company, not only because of the high standard of food that is presented, (we cater for all dietary requirements) but also the personal, relaxed and friendly style of trips we orchestrate, with an emphasis on your comfort and enjoyment of the experience.

Our 4.5 and 5.5 day gourmet guided walks on the Heaphy Track are **all inclusive packages**. We stay each night in Department of Conservation huts where your guides prepare a fantastic gourmet meal. On our way back to Nelson we spend a night in The Alpine Lodge at St Arnaud for a taste of well-deserved luxury; an ensuite and the option of a spa before we sit down to a restaurant meal. The following day we transfer back to Nelson, arriving around 11am, just in time for any connecting flights, or an opportunity to explore Nelson further.

## 4.5 Day Option
